Race propositions

reserves the right to make necessary technical changes to the race schedule due to unforeseen circumstances.

Mechanical Cars: Ranking of mechanical vehicles according to the running order after Stage I (ITT). The designation will be issued at the plant office upon presentation of the license during the opening hours of the office. (see. plant office). The organizer will provide one neutral mechanical vehicle.

Bonus: For winning Stages II and III:

1st place – 10 seconds

2nd place – 6 seconds

3rd place – 4 seconds

For the speed premium is:

1st place – 3 seconds

2nd place – 2 seconds

3rd place – 1 second

Time limit: The time limit is set at 15% of the winner's time. A competitor who finishes after this time limit will not be classified (OTL) at the end of the stage. In circuit races, exceeding the time limit is also considered to be the competitor's completion of the race by one full lap.

Signature sheets: They will be available in the start area 70 minutes before the start of the stage. Signatures close are 10 minutes before the start of the stage. This provision shall not apply to the first stage (ITT).

Competitions: Individual Competition – Yellow Jersey

The winner of this competition will be the competitor with the lowest sum of times from each stage. In the case of equal times in the final ranking, the following are decisive: lower fractions of a second measured at ITT lower sum of placements in individual stages Better placement in the last stage The leader of this competition will receive a yellow jersey, in which he is obliged to start.

Points competition - green jersey

Points for placing at the speed bonuses and at the finish of the stages count towards this competition. The score is as follows: On speed bonuses 1st-3rd place (5, 3, 1 point) In stage 1st - 10th place (10 – 1 point) The winner of this competition will be the competitor who gets the most points. In case of equality of points, the following shall decide: Higher number of stage wins Higher number of wins in speed bonuses Better placement in the overall classification of individuals The leader of this competition will receive a green jersey in which he is obliged to start.

Climbing competition – white jersey with red polka dots

Points for placing in mountain bonuses are included in this competition. The first five competitors score points (5, 4, 3, 2, 1 point) The winner of this competition will be the competitor who gets the most points. In case of equality of points, the following shall decide: Higher number of victories in
